

Ocean Adventures

Who Am I?

Use the decoding chart to help you answer the following questions.
You may need to do some of your own research to find the answers!

Example: 1 9 13 = A N T
 1 9 13

Secret Decoding Chart

1=A 2=B 3=C 4=E 5=H 6=K 7=L 8=M

9=N 10=O 11=R 12=S 13=T 14=U 15=V

1. Which ocean creature swims under water with its wings like a penguin, nests on the cliffs of islands, raises only one chick a year, its eggs were eaten before chicken farms were in California, and often killed accidentally by fishing nets and oil spills?

3 10 8 8 10 9 8 14 11 11 4

2. Which ocean creature has several gills, a mouth located on the bottom side of its head, teeth that often fall out, several rows of teeth, have a keen sense of smell and scavenge the ocean looking for dead fish?

12 5 1 11 6

3. Which ocean creature has an upturned beak for finding food in the soft sand, screams *kleek, kleek* when it flies, nests hundreds of miles inland but spends its winters along the ocean?

1 15 10 3 4 13

4. Name the ocean creature that is covered with dense fur, can hold its breath for 20 minutes, is a favorite food for sharks, swims with its back flippers, steers with its front flippers, and has tiny ear holes on the sides of its head.

5 1 11 2 10 11 12 4 1 7
